Hiring Process:

The fire board has approved the department to proceed with a hiring process for 2020. This process will be completed in the same manner as usual, consisting of Written Test, CPAT physical ability testing, and Oral Interviews. The difference will be that we will not be requiring applicants to be already certified in EMT and FF I/II. We will put all new hires through an academy in which they will test and receive the necessary certifications, prior to hitting the streets.
